

St. Paul's Community College
A Centre of Excellence in Education since 1976

4th Year Students

Message from Year-head

4yr will access their work through office 365. They each have a login and password. Each subject has uploaded work. Some subjects have "classwork " while others have research/project work. There is also a library link.

PE is about keeping active and healthy.

Students are also given guidelines on GAISCE.

There is also a guide as to how to upload work for teachers

Stay safe
